Dated New Delhi, the 13th December 1932.

SUBJECT :—*Execution of Central Civil Works.*

SIR,

I AM directed to refer to paragraph 3 of this Department's letter No. GL.-63, dated the 28th January 1929, with which a copy of the Central Public Works Department Code was forwarded, and to say that the Government of India have decided that all original works and special repairs, costing more than Rs. 2,500, relating to Central Civil buildings and communications shall, in future, be executed through the agency of the Public Works Department, Central or Provincial as the case may be. It is accordingly not necessary to issue any special rules to govern the execution of works by administrative departments. These orders, however, will not apply to works pertaining to the Archæological and the Salt Departments, the existing arrangements in regard to which will remain undisturbed.

2. In exceptional cases in which the Public Works Department is not employed for the construction of original works and special repairs, costing more than Rs. 2,500, the Audit Department shall invariably be consulted at the initial stage, *i.e.*, prior to an agreement being entered into with an architect or contractor, so that suitable provision may be made, so far as possible, for normal audit check and financial control.

3. With regard to maintenance, the Government of India have decided that such buildings as have been transferred to the administrative control of Departments, *e.g.*, Posts and Telegraphs and Civil Aviation buildings and Central buildings in the United Provinces and the Punjab, shall be maintained by the Heads of Departments concerned who will make the entire arrangements for all ordinary repairs, as well as for minor works and special repairs costing Rs. 2,500 or less, pertaining thereto, without reference to the Public Works Department except where it is not possible for them to do so. In all other cases, the Provincial or Central Public Works Department will continue to be responsible for maintenance and original works irrespective of their cost.

I have the honour to be,

SIR,

Your most obedient servant,

J. A. SHILLIDY,

Secretary to the Government of India.
